EXIT INTERVIEW FORM (EXECUTIVE / ADMIN STAFF)

Doc No: UCS-FSOM-021

Rev: 00

Date: 01-01-2022

We note that you will soon be leaving the organisation and we would be grateful if you complete the questionnaire to help us to identify aspects of working for UCS branch that may need to be changed or improved.

The main purposes of an exit questionnaire are to:

- Understand why an employee is leaving and therefore identify any issues that need addressing
- Obtain feedback on the employee's views on the UCS's franchise employment policies and practices
- Gather information on ideas to improve service delivery

This information can then be used to identify and resolve existing problems and when reviewing current policies. Ideas and suggestions from leavers can be evaluated for implementation.

The questionnaire is in strict confidence, and will only be used as part of a wider collation and analysis of leavers' views.
